

What's Happening

Unused gym memberships, temporary fad diets, and unread book lists. That's the stuff of New Year's resolutions. The new year brings new hope that things can be different, but unfortunately for most it's just more of the same. Kick resolutions to the curb this year and discover how people really grow and change for the better. With lots of fun, surprises, and giveaways each week, our New Year's Series at Vineyard Cincinnati will explore the real hope and real change that God offers. Discover for yourself what it means that "God loves you just the way you are, but too much to leave you that way."
